**VEGAZ**

Ihr Spezialist für Abgasanlagen  
Partikelfilter und Katalysatoren

## >> Der Spezialist

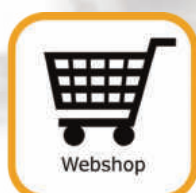

# Fachgroßhandel seit 1973

**Wir sind ein europaweit anerkannter Spezialist für Abgasanlagen, Katalysatoren und Dieselpartikelfilter.**

Als Importeur von Abgasanlagen für PKW und Transporter verfügen wir über ein breites Netzwerk von international anerkannten Herstellern. Aus unserem Lieferprogramm von mehr als 25.000 Artikeln sind über 18.000 unterschiedliche Artikel permanent am Lager. Neben den Referenzen für aktuelle Fahrzeuge verfügen wir über ein breites Sortiment für Oldtimer.

Zuverlässigkeit, eine hohe Lieferfähigkeit sowie fachkundige Beratung durch unsere Mitarbeiter sind unsere Stärken.

Neben dem bundesweiten Lieferservice liefern wir heute auch in viele weitere europäische Regionen.

|                                     | Seite   |

### # Zeit und Kosten sparen

*"Oftmals werden noch funktionstüchtige Katalysatoren und Schalldämpfer komplett ausgetauscht, obwohl es nur eine verschleißbedingte Beschädigung an den Anschlussrohren gibt. Passgenaue Reparaturrohre ermöglichen eine **#effiziente** und **#kostengünstige** Reparatur und erhöhen so die Lebensdauer der Abgasanlage."*

#### #Die clevere Alternative

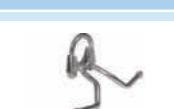

*"Die Verbindungsstellen zwischen Mittel- und Endschalldämpfer bei vielen Fahrzeugtypen sind oftmals sehr korrosionsanfällig, was zu teuren Reparaturen führt, da hier der komplette Schalldämpfer ersetzt werden muss. Auch hier ermöglichen unsere fahrzeugspezifischen Reparatursets eine **#kostengünstige** und **#effiziente** Reparatur."*
